Lights

The Theatre lighting console is an ETC Ion. The Theatre house lighting plot should provide enough lighting for your event. We ask that you provide our light plot to your lighting designer for review and suggested modification. We understand there may be special lighting needs desired for your event. We are willing to work with you and your light designers to incorporate hanging additional lights. However, all hanging, focusing and gelling must be done by the Theatre staff.

Notes: One hour of lighting adjustments are included in your rental contract. An additional charge of \$50 per hour will be made for time spent beyond one hour to install and/or to remove lights to and from the house plot for your event, along with the additional rental fee charged.

Rental groups must supply their own:

- Gels
- Spike tape, including glow tape.
- Gobos

Spotlights

The Theatre has one HMI 1200 watt follow spot located in the tech booth, which is available at no additional charge. User groups are asked to provide their own spot operator. The City Theatre technician on duty during your rehearsal(s) will train your volunteer(s) on how to operate the spotlight.

Sound

The F. Scott Fitzgerald Theatre has the following house sound system to support your event. Renters are required to use the house sound system as set up by the City of Rockville. Sound adjustments within one hour of service are covered within your rental fee. Changes requiring additional time will be charged at \$50 per hour during with rental time.

The house sound system consists of front/left/center/right with additional delay speakers.
